Report of the Librarian

Attendance	867
Circulation of Fiction	652
Circulation of Non-Fiction	196
Circulation of Juvenile books	348
Circulation of Magazines	101

On the whole we may say it has been an average year. A slight loss in attendance tends to mean a drop in circulation. That is true of many libraries at this time. It is not a reading period; too many other interests. Too many small tempting magazines which give in brief compass the things people talk about. Radio and TV are brisk competitors for their share of time and interest. These matters, however, balance themselves over a period of years and after all, statistics tell only part of the story. What of the results of reading, either casual or serious? Books and readers can be counted but figures will not tell what books do to readers, what they give or fail to give them. In this report the marked drop in fiction circulation is partly accounted for by the fact that juveniles are made a separate item instead of counted in with general fiction as hertofore. As always, our friends and neighbors have been generous; books magazines, a subscription to Horticulture, odd numbers of magazines which are always appreciated, often used as sources of information by theme-writing pupils and for pictures for scrap book makers.

During the summer we had an inspiring group of college students from the hotels. A young man wanting theological books, another asking for French literature in the original and so on. In such cases the State Library

comes to our aid promptly and efficiently, also the Book-mobile on occasion. For Book Week our local grade pupils made ten attractive posters for us. As usual, our most entertaining incidents come from the juvenile department. Three small boys wanted a book of whose title they were uncertain. Search through the catalogue revealed no such title as they gave, whereupon they burst forth. "It's a blue book, it's a square book, it was right on that shelf," pointing vigorously. Fortunately, Mrs. Moore, our faithful volunteer has the Yankee gift of guessing and shortly the square blue book was located under its proper title. It was hailed with delighted satisfaction and carried triumphantly home for a week's reading.

To all those who have helped us in any way, from the State to our generous local friends, we return hearty thanks and appreciation.

Comments

In the year just closed we feel much credit should be given the caretaker, Raymond Hubbard for his efficiency in the care of the lots and the grounds of Grove Hill.

The grading and seeding of the new section "C" located high and dry, in the north east part of the older section, has been completed, graded to a gradual slope, seeded with grass seed and clover early last fall, and by covering it with hay, made a very good "catch" and this coming spring, we hope it will be in shape to mow.

This new section "C" is large enough to give us forty eight (48) new lots measuring 16 ft. x 16 ft. or for those who do not care for a large lot, it can be divided into one half lots measuring 16 ft. x 8 ft.

Anyone interested in purchasing a lot will please get in touch with either the Treasurer, or the President of the Grove Hill Cemetery Association.

**FOR YOUR TOWN REPORT
REPORT FROM THE WHITE MOUNTAINS
REGION ASSOCIATION**

Thanks to the fine co-operation of the towns in our Region, the Association has been able to carry on an extremely busy program aimed, as always, toward the benefiting of the entire northern part of New Hampshire.

To this end we have co-operated wherever it has been possible with any and all agencies that have been working along any lines that promised eventual benefit to any sort of business within our state and region borders. This is in line with the original Regional concept, that pooling of efforts can accomplish more than can be done by a lot of separate, smaller and uncoordinated efforts. Nevertheless, along with this we continue our own individual projects and plans, where these promise to be more directly productive.

Again we have distributed all over the United States nearly 100,000 pieces of promotional literature of all types—maps, lists of places to stay, picture folders, hunting-and-fishing folders, and winter-vacation brochures. We know these arouse interest and bring business because people write for them from all over the map; they also tell us later on that these folders were of definite help in causing them to decide where to spend their vacation time—AND MONEY! Your town was represented in each and every one of these folders.

Our 4-H Awards Program continues to encourage boys and girls to take part in, and do better in, this fine and worthwhile program. Through cash awards to members and clubs, we are proud to be helping

these youngsters to be the constructive farm citizens of our Region in the future.

We have planned and co-operated with the planning and carrying out, as well as the publicizing of Old Home Days, Woodsman's Contest, Guides' Show, Community Festivals, Horse Shows, and the like, as well as planning and setting up one of our own, the White Mountains Region Art Center. We have spent a lot of time on the road, attending shows visited by hundreds of thousands of people in Boston, Hartford, and Philadelphia, and are planning more of such work.

As to results, we have again run a mail survey to find out what good we were accomplishing. From just one small sample (10% of 4000) of our mail requests, we turned up 148 parties numbering 440 people who came here. Only **part of those** told us how much they spent here, but **that small part** spent **\$18,571.00!!** Seems unbelievable until you realize you can't get by vacationing on much less than \$7.00 a day. Anyway, what they alone spent means that from that small group came back into this Region **2½ times** the total amount appropriated by our towns.

What this means to every taxpayer is that much money, either direct income or tax income, came here to help take the burden off the local people. The man who never sees a tourist would be paying much more on his tax bill all through this state if visitors were not paying a substantial share of the freight! With your help, we'll continue to do our part in keeping the money coming in.

Respectfully submitted,

David S. Cassedy, Executive Secretary
